

SPORTS FUNDING STRATEGY 2018-19

The total sport funding premium for 2018-19 is £17820

What is Primary School Sports Funding?

For a number of years the government has allocated additional extra funding to all primary schools in order to improve PE and Sports provision for all pupils so that they develop pupils' ability to understand and work towards achieving a healthy lifestyle. The School Sports Premium total sum allocated for the academic year 2018-19 is £17820

At Middleforth CE School we believe that Physical Education develops pupils' competence, confidence and skills, and it also helps to promote a positive attitude towards active and healthy lifestyles across a range of areas. It applies to all children, regardless of age, gender, race and faith and is inclusive to children of all abilities. A broad and balanced physical education curriculum is intended to provide pupils with increasing self-confidence in their ability to manage themselves and their bodies and also, to develop their understanding and appreciation of what it means to be healthy. We feel that sports and extra-curricular clubs play an important part in the development of these attributes and in recognition of our work in this area Middleforth CE has qualified for the **GOLD Sainsbury's School Games Mark in 2018.**

As a result of existing, continued and future provision:

- All children have access to a broad balanced, inclusive PE curriculum.
- Subject leader attends CPD relevant courses and School Sports Partnership updates. Staff at school are informed of relevant details and information.
- Specialist coaches work alongside teachers to deliver high quality lessons and increase their subject knowledge and confidence.
- Monitoring of pupil progress through class based assessment on age related attainment in KS2 and Fundamental Movement Skills in KS1.
- Timetabling of PE Curriculum so that all children have an indoor and an outdoor session each week (2hrs per class).

- Membership of the South Ribble School Sports Partnership.
- Competition aspect of SSP bought into so that children can experience competitive sport including local football and netball leagues
- Participation in L1 competition through KS1 and KS2 inclusion events
- Membership of the Youth Sport Trust
- Ball Yard has been marked with a running track so that all children in KS1 and KS2 can participate in 'The Mile a Day' challenge.
- Children in Y5 and Y6 who have not achieved the statutory requirements in swimming will be given access to an intensive top up swimming programme.
- The school grounds have been mapped out with a new resource for a fully accessible Outdoor Adventurous Activities.
- Forest School's training has been undertaken by two additional members of staff resulting in more children having access to Forest School's experience. This includes provision being extended from KS1 to include children in KS2.
- Trained adult playground leaders will be continue to be employed to support children and develop healthy lifestyles and attitudes.
- Outdoor storage will be purchased to 'house the additional resources that will be purchased and to ensure that the resources in the PE store are safe, accessible and tidy.
- Resources to support the curriculum delivery will be purchased and stock will be replenished
- Children have the opportunity to develop relaxation and mindfulness techniques through YOGA
- Children in KS2 will focus on healthy eating and keeping our hearts healthy through Nutrition Mission and Heart Start
- Children will continue to be offered opportunities to develop their skills and fitness through outside coaches and extra -curricular clubs.
