Let Your Light Shine - Matthew 5:16

Through the Homework Policy, the school will promote and teach the values we learn based on the example of the Christian faith:

- Forgiveness
- Respect for self and others
- Reconciliation and redemption
- Truth and honesty
- Trust and fairness
- Tolerance and compassion
- Self-discipline
- Respect for property and the environment
- Politeness

Such values, in turn, promote not only the Christian ethos and aims of Middleforth Church of England Primary School, but assist in the preparation of the children for the responsibilities and duties of adult life.

Vision

As a caring, Christian community, we aspire to 'let our light shine'. We will open up the world to celebrate God's wonderful creation and foster a sense of awe and wonder.

We will nurture our God given talents to ensure that everyone reaches their full potential academically, socially and spiritually.

'Let your light shine Matthew 5.16'

Rationale:

Research over a number of years has shown that homework or home activities can make an important contribution to a child's progress in school; +5 months progress. It extends the challenge open to all pupils and ensures that teaching time is used to maximum effect. We believe that homework helps to develop critical skills including time management, organisation and thinking skills. We believe that education is a life-long process. A child's education does not cease when he /she leaves our school premises, learning at home is an essential part of good education.

"Homework" is any work or activity completed outside lesson time, either alone, with parents, or others and homework make an important contribution to progress at school.

School aims:

At Middleforth Church of England Primary School we value every member of our school community and our aims are for every child, whatever their background or circumstances, to have the support they need to:

- Develop their understanding of the value of leading a healthy lifestyle
- Work and play in a secure and safe environment in which they are encouraged to develop moral values and mutual respect
- Experience an exciting curriculum which fosters their enthusiasm, develops an enquiring mind and enables every child to achieve his/her full potential
- Access an education for life where they are able to learn how to become effective and reliable members of the wider community
- Foster ambition and expectation to carry through to adult life. To achieve these aims all learners, staff, parents/carers and governors will work together to promote our **core values**.

1. Introduction

1.1 The governors and staff of Middleforth Church of England Primary School believe homework consolidates and reinforces skills and understanding in Mathematics, English and other curriculum areas, helps raise the level of achievement of individual pupils, provides opportunities for parents/carers and children to work together and, thereby, fostering an effective partnership between home and school.

1.2 We have structured most of our homework tasks to focus on specific key skills which will enable our children to access many other areas of the English and Maths curriculum:

- Reading – reading fluently, with comprehension and for pleasure are vital skills to develop. This is why we encourage our children to read daily. We reward children for reading at home through bookmarks and free books to take home and keep.
- Spellings – by learning how to spell key words and words with specific spelling patterns, we are enabling our children to become more fluent writers.
- Times tables/Key Instant Recall Facts – these form the basis of many areas of maths. Knowing times tables and Key facts will enable our children to become more efficient mathematicians in class.

1.3 Where appropriate, we will aim to use web-based platforms for helping our children achieve their homework. For example, we use Times Tables Rock Stars as a platform for learning times tables. We also use Bug Club so all of our reading scheme is accessible on line. Homework may be set via seesaw too.

1.4 We recognise that all children need leisure time and hope that our policy reflects a balance so children can extend and consolidate their learning with parental support while still allowing 'down time.'
