

Middleforth Church of England Primary School

'Let your light shine!'

Our Christian Value this half term is Hope.

Friday 20th April 2018

What a great week in school, lots of opportunities to finally play on the grass and enjoy the sunshine.

As you will have noticed this week we had a sort out of our cupboards and were able to streamline our resources. We hope you enjoyed the opportunity to take away all the duplicate photographs we have been keeping in school and some of the furniture we are struggling to find space for. Lots of people had a look through the lost property boxes and have been reunited with clothes. We will put these boxes out again every night next week to give everyone chance to have a good look and then we will dispose of some of the items.

Thank you to everyone who has already responded to the nursery questionnaire. If you intend to reply but haven't yet can I please urge you to do so as soon as possible as the governors will shortly be making the decision about whether we go ahead with this venture and knowing numbers would really help them with the decision. If you know anyone who is looking for a place then please pass on the information and ask them to fill in a form.

Today you will be sent a copy of the OFSTED letter following our inspection. We are really pleased with the letter and the positive comments in it and I am sure you will agree it presents the school very well and is testament to the hard work and commitment of our staff and the fantastic children we have in school.

Toast

From April 30th we have decided that we will trial only selling toast on a Friday playtime. Children are welcome to bring in a piece of fruit or a healthy snack for playtime if you would like them to. We have come to this decision for a number of reasons. Firstly over the summer months it seems a shame that some of our children spend quite a large proportion of their playtime queuing for and then eating their snack rather than being outside enjoying the warm weather. Also we are very much encouraged to be a healthy school and providing high calorie drinks and snacks does not support this ethos fully and finally the provision of these snacks runs at a loss for the school which means that currently our very tight resources are being strained to support the playtime snacks when we need to ensure we spend our resources wisely to best meet the educational needs of the children. We will provide toast on a Friday as usual as a treat at the end of the week.
