

Middleforth Church of England Primary School

'Let your light shine!'

Our Christian Value this half term is Hope.

Friday 4th May 2018

The Fashion show last week was a great event. Thank you to the FMS and Mrs Lynch for organising this.

This week the buzz around school for Times Table Rock Stars has been fabulous. It has been great to see some of our children beating the teachers on the leader board. Year two have loved wearing their special rock star glasses to play it in class. Next week we will hopefully get our year five children signed up to play. Thank you to Mr Swindells who has set this up for us and is training everyone in school how to use it.

Over the next few weeks our year two and year six children will be completing their SATS assessments. Everyone in those year group should have had letters with more information about it. Please reassure your children that this is not something to be stressed about and is just another day in school and that we are proud of them all. Year six will have a special room set aside for early starts and breakfasts on the SATS days and some chilling time will be timetabled in.

Today three children from Year six, Abi, Lily and Oliver visited Louise Parks who was 103 today to wish her well from the school. We are so proud of how well they represented us, they moved her to tears with their kind words. A precious moment for this lovely lady.

May Day

May Day tickets have been sent home today. We have issued as many extra tickets as we can at this time, there are no spare tickets for either afternoon. As always, due the seating capacity of the school hall, we are struggling for space, particularly for the Friday afternoon performance. Therefore, if any of our parents find that they now won't be needing any of their tickets for either performance, please return them to the school so that they may be re-issued to families who may be waiting. Thank you.

School Lunches

The current lunch menu and pre-ordered meals will end on Friday 18th May. The new menus will not be going out as the usual hard copy, they will be available for you to make your own online selections via the ParentPay system. If you have not yet activated your account, you will need to do this as soon as possible so that you can access the lunch ordering system. Please be aware, as with the previous ordering system, that if you do not pre-order a lunch for your child (ren), it is not guaranteed that they will get the meal of their choice.

You also need to note, that if you pay for school meals, the ParentPay system will prompt you to pay for what you are booking, so please ensure that you can allocate the necessary payment for the amount of meals you are ordering.

There are now only **two weeks** to go before you need to have new orders in place, therefore if anyone is having difficulty trying to access the online option, please call into the school office.

Future Events

Year 2

Next week Year 2 will be designing and making their very own church in their RE lesson. We would be very grateful for any donations of 'clean junk' that you think would help us to build our own churches. Scraps of fabric, ribbon, coloured paper, cut offs from wallpaper, shoe boxes, cardboard from inside paper towel, cereal boxes etc.
