Friday 4th October Newsletter

Dear Parents/Carers,

What a wonderful week we have all had, Year 5 have shown great determination and perseverance with their first day of bikeability and have been amazing. The whole school took part in a Handball festival on Monday we saw some great skills and sportsmanship from everyone, well done.

Yesterday was our Harvest service in Church and it was so lovely to have everyone together and to see so many parents and guardians there too. Also, thank you for all your donations, these will now be going to the Penwortham Food Bank.

Our first SEND/Family support coffee morning was a huge success and we are hoping to see even more of you at the next one after Christmas.

Have a lovely weekend everyone, Mrs Pilkington.

Collective Worship

Half Termly Theme - Respect

This weeks worship was about valuing special places. We looked at a picture that depicted a time where Jesus became angry. We discussed how we don't always hear about Jesus being angry and whether had a right to be as he had visited a temple in Jerusalem that had been turned into a market (Matthew 21. 12-17). He was angry as this was a place of worship.

We discussed how some buildings are designed to help people feel close to God and how they make us feel.

Talk at home about a time when you have visited Church and how this made you feel.

How important is it to know about the author behind the book?

Penguin Random House UK, Colin Wright

In the news this week

Book publishing company, Penguin Random House UK, has revealed a new book vending machine at Linlithgow Academy, near Edinburgh, Scotland. The machine gives the pupils access to more than seventy different books from Penguin's 'Lit in Colour' reading lists. The reading lists, set up around four years ago, are updated each year and aim to make works by writers of colour more visible and accessible in schools.

Things to talk about at home ...

- > Would you like to see a book vending machine in school? Do you think it would be popular?
- > What types of books do you like to read, and who are some of your favourite authors? Ask others at home about their reading preferences.
- > Do you feel it's important to know about the author of a book you read? Is it important to you to read books by authors from different backgrounds and with different experiences? What do others at home think?

Attendance

Changes in the law have now come into effect regarding school attendance. Parents have a legal duty to ensure their child attends every day, except if your child is too ill to attend school.

More information can be found on our school website. We will also be sending out some further information in due course.

Subject Focus - Science

This week Year 3 completed their science investigation and found that not all seeds can grow when you take something away that they need.

Across school children in Key Stage 2 have been building circuits and Year 6 have been adding circuit symbols to their diagrams. Year 2 have been exploring properties of materials and using the correct scientific vocabulary to describe them.

OPAL

If you haven't already, please can make sure that you send into school this week, labelled wellington boots and waterproofs so that OPAL can be accessed at all times. These will also be used to ensure that we can all get outside as the weather turns more autumnal too.

If you have any old wellington boots or waterproofs which no longer fit your children and you are happy to donate them, then please send them into school and Miss Bobb will sort through them.

Thank you all for your continued support.
