**Friday 18<sup>th</sup> January 2019**

A belated Happy New Year to everyone. What a great, but busy start we have had to the year with lots of great things happening in school. Last Friday Mr Noblet and the School council organised a lovely tea party for some of our older neighbours and it was lovely to have a few parents attending to support the event too. Our Melodies serenaded the guests and everyone had a lovely time. This week we have had a visit from the Director of the Seeds of Grace charity who we have done some fundraising for last year and she told us all about the latest work they have done in the school in Africa.

Sarah, our wonderful play therapist from Achieve 360 has unfortunately resigned from the company over the Christmas period so we will have two new members of the team in school this next term. The children have all met them today. Both of the new team members are counsellors as well as play therapists so offer additional experience they can offer to us. Jackie, who is new today, is also an animal therapist and will have her guinea pigs in the room with her when she visits school. Can you please let us know if you have any concerns about your child being around the animals or have any allergies to Guinea Pigs. Jackie will have drop in sessions for anyone who wants to talk through a concern with her and children can pop along for a chat with her during those times. As always the team will happily meet with parents who have any concerns they would like to talk through with a counsellor or play therapist. Please book an appointment to see them through me if this is the case.

Have a great weekend.
