Sats like Ninja videos

- Complete an online Arithmetic test
- Review a past paper
- Play online learning games
- Read a book
- 10 minute reading comprehension
- Revise a spelling rule and create a poster to remember it.
- Use the websites on the class page
- Review your previous homework
- Get some question sheets from class
- Focus on a maths skill eg: Division
- Review times tables
- Review teaching videos on Dojo and class page.
- Create your own SATs quiz for the class.
- Complete a SATs paper with a timer.
- Complete a homework sheet from the homework basket in class.

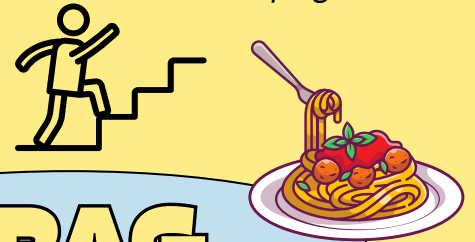

10-20 minutes a day will make a huge difference. Why not create a schedule of what you are going to work or focus on? Set yourself a challenge!

Remember the homework box in class will have sheet and task you can take home if you need them.

SATS are the week beginning the 12th of May.

The children can choose what areas they wish to work on and use the menu for ideas. There are more resources on the class page on the school website.
